

君へのさもち

This quality for this price surpasses the limits of convenience store sweets!

The refined sweetness of the whipped cream and the contrast with the sauce makes the best match - and with a whole strawberry

Mm, the new release this time is great!

Really?

It's rare seeing a guy eat this much sweet stuff.

That's a lot of sweets... did you buy them all today?

Yep.

Just looking at it makes me want to throw up.

Putting so much money into stuff like this.

Komine-sensei!

Sorry for calling you here all of a sudden.

Toma-chan, long time no see.

Yup, I have something to ask Toma-chan regarding that.

Ah, the sweets championship you appear in every year?

Cause the championships are close.

It's been a long time for you, hasn't it sensei?

I haven't seen you here in ages...

Not at all.

I just like them.

Toma-chan is a sweets gourmet, right?

Can you taste test the cakes I'm thinking of entering in the championship?

shine

It's
good!

Mmm...

This tart
and sauce is
really good!

Okay.

I like
watching
people
eat.

Also,

It kind
of
makes
me
nervous

Don't
mind
me.

What
is it,
sarpai...?

Okay!

It helped
me out a
lot too

Come
again
some-
time

Thank you
for the
food
today

PRESIDENT
KOMING IS
CALLING FOR
YOU, TOMO-
CHAN

Hey!!!

Is what I
was told
but was it
really
okay

That was so
good- as ex-
pected of
someone who
was two
years in a
row.

And he's
the son of
a Western
confection-
ery.

I came to
pick you
up.

Hey

Ka-
mine
senpai

Can you
wait a
little
longer?

I'll be done
writing
this log in
a bit.

Was I a
little
early?

Ha,
ha...

Tomu-
chan's
writing
is so neat-

Thanks.

Huh? I
don't
mind...

Then can I
watch
you?

Thought as much- You
don't even
like sweet
things.

Yeh..?

Mina..

As if!

Is Yoh
being
nice to
Tama-
chan?

I'm kind
of sur-
prised.

since they
re so differ-
ent!

Komine-
senpai is
friends
with
Kurosaki-
senpai?

Yup.

Were like an
unshakable
relationship,
maybe? We
were to-
gether in
primary
school.

is that
so..

Not
at all!

He's only
over strict
with me,
and always
gets mad..

Hmm..

ahaha, i'll be fine.

Then senpai shouldn't talk to me in front of Kurase-senpai either..

The other day he came with the senpai in the home economics club,

and even glared at the senpai, telling them not to spoil me.

..Umm, senpai..

Why do you bother yourself with me so much?

I don't care about others.

If I want to meet with Tora-chan then I'll go and meet you.

Because I like you.

I thought
you were
cute.

I've been curious about
you for a while, since
you come to
the club-
room a lot.

And he had
the courage

Huh.??

He rarely
ever falls
for anyone,
so

Since I
knew Toma-
chan, I ap-
proached
him with the
idea.

And I'm
actually
competing
with Yoh

Over who
will make
you fall
first.

Huh..?

Huh...

sports, studies, even the number of chocolates we received.

We would ~~have gotten near~~ everything

Both he and I really had a loving

He really didn't tell you his feelings yet, huh.

Are you sure it's not some sort of mistake...?

I actually wanted to keep this a secret, but since it's Yoh I figured he wouldn't approach you very well.

I wanted to give him a handicap... If I told you first, you'd be more aware of him, wouldn't you?

Could I just understand it myself?

Nope...

No way...!!

Am I being made fun of...

Kuroo-senpai likes me...!?

slide

Stay still
for a sec.

Do you
have a
fever?
Let's see.

Bump

!?

Tomo-
chan,
you
here?

Haru-
mi?

Huh,
To-
mo-
chan.

It's a
little
hot.

You better
go home, I'll
send you

Huh,
Tomo-
chan,
your face is
red. Are you
alright?

thump

Unlike
Kurose-
senpai...

Ge-
senpai is
kind, and
cool..

What do you
think of me?

SHOVE

You won't
accept them
from me?

Even
though he
hates sweet
things...

Shut
up...

Could he,

"Because
he's quite
awkward"

actually like
me...

Sensei has
always been nice
to me and is
easy to under-
stand, but

Toshida...

I have no idea
what Kurase-
senpai is think-
ing most of the
time.

No!!

Are you just
picking on me
because you
hate me?

I like
you
foo!!

And I panicked thinking that he might take Yoshida, too.

There's a part of him that isn't satisfied until he has everything that he wants.

...Haruomi started saying that he loved you.

that's why I agreed to the competition.

I didn't want to give up without doing anything.

Because I didn't want that...

even if I say this, it might be hard for you to believe.

...However, my feelings are real, so

But I ended up hurting you.

I'm sorry...

I wanted to
set it up so
you'd burst
out and con-
fess.

I planned
everything about this
competi-
tion.

I was irritated
by how this
guy's disbeard-
ness and how he
did nothing
about how he
lied Tomo-chan.

Ah,
no...

I do feel
bad for
fricking
the both of
you.

Sorry,
Tomo-
chan.

If I said it was
a competition
he'd fall for
it, and that
went exactly
as planned.

...If only
you were
rejected.

But I'm
glad you
were able
to con-
fess-
Tomo-

Don't
say any-
more.

...I'll have
to be
grateful
to him.

Sensei

If this
hadn't hap-
pened, I
probably
would have
never said
anything to
you.

Komine-
sensei...?

...right

Ah... it's like
that murky
feeling I had
has gone and
cleared up.

I'm glad I
was able to
hear
sensei's
feelings...

...You're
not
mad.

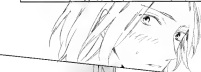

To be honest, I didn't like how I was always the one being yelled at.

But now I know why, and I don't dislike how senpai was today.

I was always wondering if you hated me,

I

The usual senpai

You don't know's any ahead of your self

You-

Don't tell me the reason I had so many shifts with senpai was because you wanted to be with me?

Ah
